BHOOMITRASENA CLUB (BMC)

Introduction

The idea of Bhoomitrasena club scheme (BMCs) was conceived by the Directorate of Environment and Climate change (DoECC), Govt. of Kerala. The club functions by propagating the idea about the need for nature-conservation among the youth, thereby helping to bring about a change in the attitude of the society. The club organizes seminars, field visits, competitions, talks on environmental issues etc. It also arranges visits to wildlife parks, environmentally degrading areas, etc. Other activities include cleaning and maintaining the polluted or environmentally degraded sites as well as planting and maintaining trees in the campus.

Objective

The aim of Bhoomitrasena club is to take up environmental protection activities and awareness extension events in the vicinity of the college.

1. To encourage students to appreciate the environment and to react positively to environmental issues.
2. To provide environmental education opportunities and involve students in addressing environmental issues of the locality.
3. To make students practice sustainable lifestyles.
4. To improve environmental quality of the institution.

National pollution Prevention Day (December 2nd 2022)

To create an awareness about 'National pollution prevention day' and inculcate the need of reuse, reduce and recycle plastic and other waste materials among students' group, a craft making contest was conducted in the name of "Best out of Waste". Students actively participated in this competition and made various useful products from waste materials like plastic, thermocol, cardboard box, nut shells etc. The final results were announced by judges Dr. Senthil (Assistant Professor on Contract, Dept of Tamil) Dr. Resmi R. (Assistant Professor on Contract, Dept. of English) and Ms. Shafeena Beevi K S (Jeevani co-ordinator) and prizes were distributed to the winners.

First place- Mariya Angel M (Ist BA Tamil)

Second place- Foustina M (IInd BA Tamil)

Third place- Anu R Yadav (Ist Bcom) and Ronisha Gracy G (IIIrd BA English)

BHOOMITRASENA CLUB

Activity Report: 2021-2022

Sixty-four UG students were selected for 2021-22 academic year Bhoomitrasena club activities, of the college.

World Environment Day Celebration (5th June 2021)

Due to Covid-19 lockdown, students celebrated ‘World Environment Day’ by planting tree saplings (Mango, Mahogany, Jack fruit, Amla, Bamboo etc) in their houses.

World Wetland Day Celebration (2nd February 2022)

Digital Poster Making Competitions

As a part of 'World Wetland Day' celebration and in the motive of giving awareness among students on wetland conservation and its need to human kind, a digital poster making competition was held on 02/02/2022. The theme for poster making was 'Wetland's action for people and nature'. Best posters were displayed on college Facebook page.

Best poster award

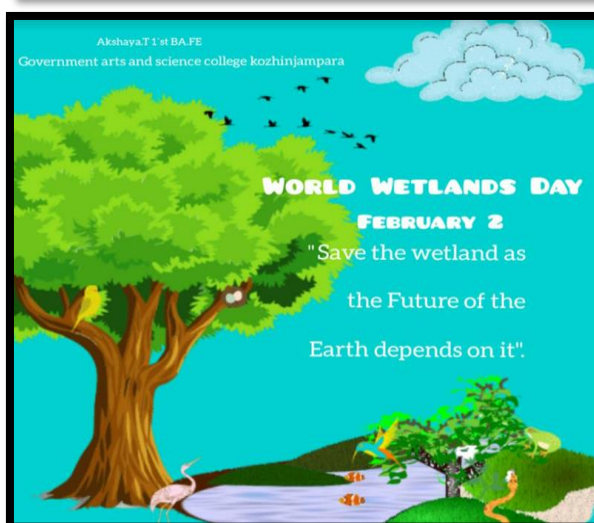

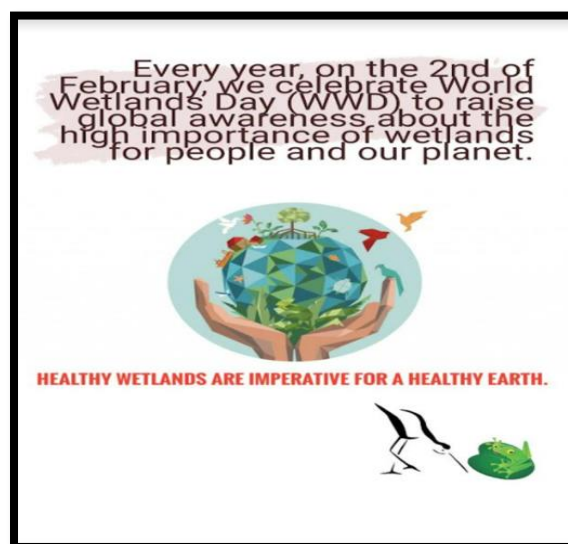

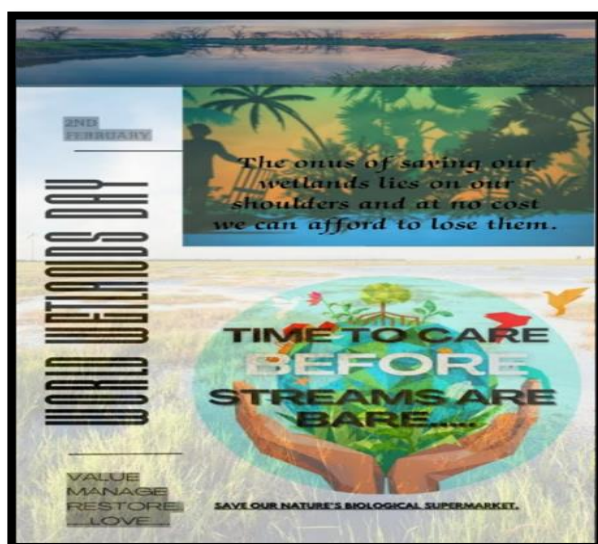

Arul R (1ST BA TAMIL)

Akshaya T (1st BA ENGLISH)

Vishnu prasad (2nd BSC MICROBIOLOGY)

Sneha C (2nd B.SC MICROBIOLOGY)

Best posters

KITCHEN GARDEN SETTING

During the Covid lockdown period, Bhoomithrasena club students were actively involved in kitchen garden setting.

List of students involved in Home kitchen garden setting

1. Thafseena.K - 3rd B. Sc Microbiology
2. Shifana.K- 2nd B.Com
3. Shamil.S - 2nd B. Sc
4. Meenu K - 2nd B.Com

BHOOMITRASENA CLUB

Activity Reports: 2019-2020

WORLD SOIL DAY (December 5th)

On 5th December, 29 students under Boomitrasena club got actively involved in cleaning the plastic waste in the college campus and nearby Block Panchayat Office Chittur, Nattukal. Vice Principal Mr. Chribuna Viswas (Head of English Department) inaugurated the program, and rendered a valuable speech on soil conservation and harmful effects of plastic to environment and human beings.

BMC STUDENTS ATTENDED ‘PLASTIC POLLUTION CONTROL’ WORKSHOP (Dec 19th)

BMC Staff co-ordinator and students attended ‘PLASTIC POLLUTION CONTROL’ workshop held at Ahalia School of Engineering and Technology on 19.12.2019 to give awareness among students and it helped us to take steps in maintaining our campus Plastic free. The programme was inaugurated Mr. Krishnan. M.N, (Environmental Engineer, Kerala State Pollution Control Board) and the section was chaired by Hema Nalini. A.V (Professor and Head, MEA college) and Kalyana Krishnan Y, (District Coordinator, Haritha Keralam Mission).

MEETING FOR PLANNING WEEKLY ACTIVITIES

BMC STUDENTS INVOLVED IN WATERING -TREES INSIDE CAMPUS

Weekly once, BMC students were involved in watering and weed removal around trees, with the target of making the campus green.

BMC STUDENTS INVOLVED IN COLLEGE BEAUTIFICATION

BMC and Environment club students were involved in college beautification, by planting water plants, flowering plants and tree saplings.

BIRDS CLUB INTERNATIONAL

GOVERNMENT ARTS & SCIENCE COLLEGE, NATTUKAL,
KOZHINJAMPARA UNIT
2021 - 2022

birdsclub
Co-ordinator

Dr. Senthil N
DEPARTMENT OF TAMIL

BIRDS CLUB INTERNATIONAL
GOVERNMENT ARTS & SCIENCE COLLEGE,
KOZHINJAMPARA UNIT
2021 - 2022

Many people derive great pleasure, fulfillment and inspiration from watching birds and listening to them. But birds are also an intricate component of ecosystems, which we need for our own survival. Birds play an important role in the effective functioning of these systems. As birds are high up in the food chain, they are also good indicators of the general state of our biodiversity. When they start disappearing, it means that something is wrong with our environment and that we need to take action.

Birds are a critical element to nearly every ecosystem on earth, and their fate is intertwined with ours. Birds add life, sound and colour to our lives. Watching wild birds is often a diversion from the pressures of our daily lives. Birds are recognized as one of the most important indicators of the state of the environment. Because they are sensitive to habitat change and because they are easy to census, birds are the ecologist's favourite tool.

Changes in bird populations are often the first indication of environmental problems. Whether ecosystems are managed for agricultural production, wildlife, water, or tourism, success can be measured by the health of birds. A decline in bird numbers tells us that we are damaging the environment through habitat fragmentation and destruction, pollution and pesticides, introduced species, and many other impacts. Birds are a part of the balance of nature. There is strong interdependence between all living things in the gigantic web of life and the removal of even the smallest form of life may in time endanger the entire structure. Quality bird conservation requires work in the area of research, habitat & education.

Report on inauguration, 06 January 2022

Birds Club International, GASCK Unit initiated its activities at Govt Arts & science College Kozhinjampara, Nattukal, and Palakkad. The bird's club inauguration ceremony was held on 6th January 2022 at college auditorium. The club was officially inaugurated and presided over by our college **principal Smt. Amala A.K** in this year. In this ceremony, birds club co-ordinator Dr. Senthil. N Presented welcome speech, **Sri.Ramesh.K** (IQAC Coordinator), **Dr.Vijayan.KTV** (HoD of Microbiology), **Smt.Umamakeshwari.K** (HoD of Tamil), **Dr.**

Nisha Lakshmi, (HoD of Hindi) and **Sajeesh Kumar.M** (HoD of Physical Education) were felicitated the function. **Sri. Abhilash Ravindran** (Bird Enthusiast and Columnist) delivered a Valuable speech on “Why Should we look at Birds' ". He briefed about different types of birds and how to take care of them. The speech was more interesting and inflammatory also. In the end, he had a discussion with the students about the current situation about the birds. Finally, Vinaya 3rd BSc MicroBiology Student, a member of birds club thanked all the invited Guests and participants. Around 120 Students including 38 club members participated in the inaugural Function.

A TALK ON
"WHY SHOULD WE LOOK AT BIRDS"

ON
06 JANUARY 2022
AT 11 AM
COLLEGE AUDITORIUM

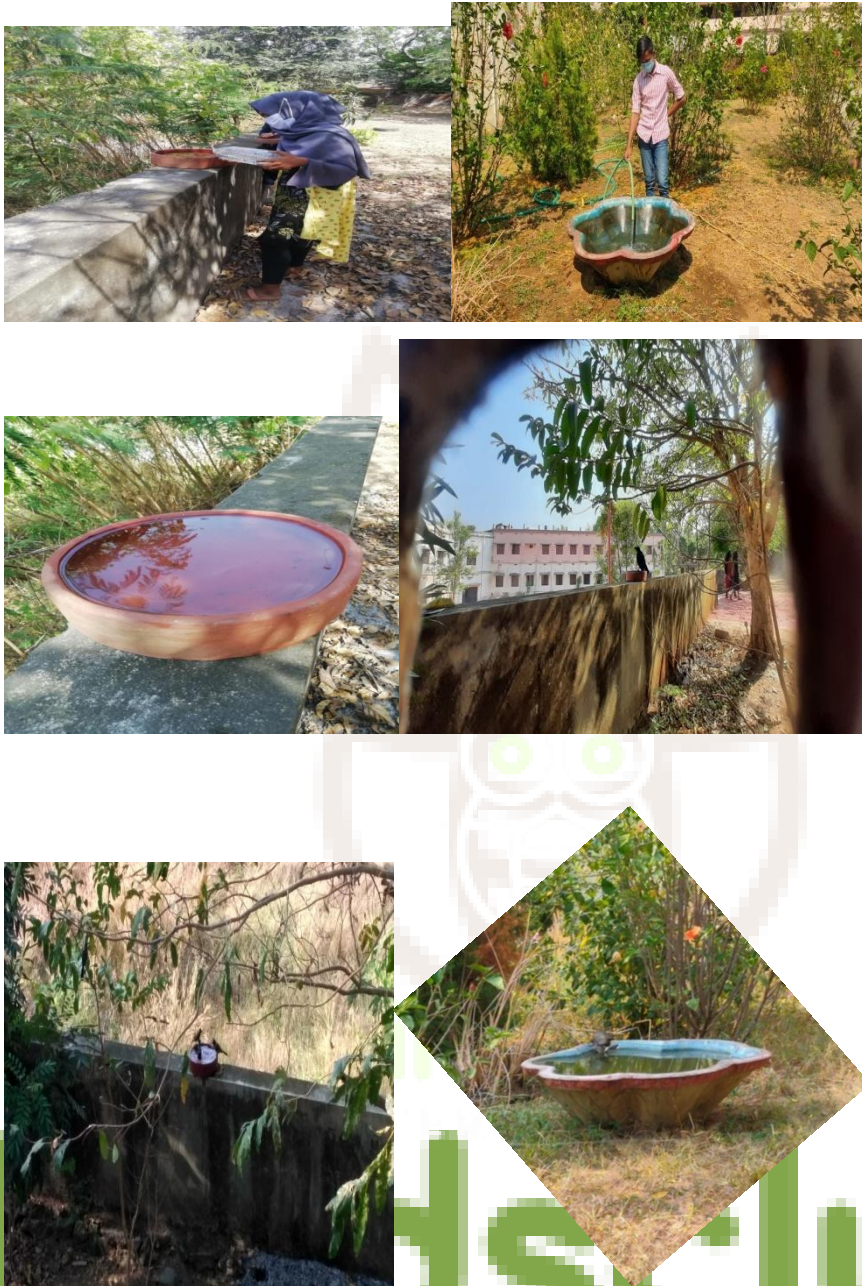

ALL ARE WELCOME..!

Birds Feeding

As part of Birds Club Activity, we started an initiative to provide food and water to the birds in our college campus on 28 January 2022. Around 37 Students including club members participated in the function. Dr. Senthil.N Birds Club coordinator delivered the welcome speech. The Principal in charge Mr.Chribuna Viswas P.S (Dept of English) presided over the function and gave a speech on “Preservation of Birds in summer season”. Sri. Ramesh K (IQAC Coordinator), Dr. Srividya S (Dept of English), Sri. Prasanth K.V (Dept. of English) we have established many water pots and food bowls for the birds in all parts of the college campus. Finally, Arul.R 1st B.A Tamil student, a member of birds club thanked all guests and participants for gracing the occasion with their solemn presence.

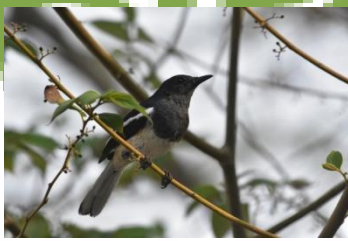

A Bird Photography Training Camp

As a part of bird's club activity, we organised a bird photography training camp on 19-03-2022. We started this program in the morning around 7 A.M to 9 A.M. In this camp, Krishna Moorthy M The Birds enthusiast, bird Photographer and Trainer, Samagra Shiksha Kerala, Chittur BRC talked to the students about the sound of birds and birds living in this locality. He also trained the students, how to capture a good photo of birds. He also talks about bird's photography and its techniques. The bird's club members are interested to learn new things about the birds, the bird's life and its photography.

The Photos taken during training Camp

Birds Photography Competition

We conducted a bird's photography competition in our college. The topic of the bird's photography was "**Birds In Our Campus**". The photos are allowed to be taken from 21-03-2022 to 25-03-2022. Finally, the winners of this competition are Mohammad

Ismail. R (B.A Tamil I-year) got the first prize, Rasheek Basha M (B.A Tamil II-year) got Second Prize and Arul R. and Arnold A. won the third prize.

Mohammad Ismail. R (B.A Tamil I-year) 1ST Prize

Rasheek Basha M

Arul R. (B.A Tamil I-year) 3RD Prize

(B.A Tamil II-year) 2ND Prize

Arnold A. (B.A Tamil I-year) 3RD Prize

GOVERNMENT ARTS AND SCIENCE COLLEGE, KOZHINJAMPARA

Bio-Diversity Club Report

The College is committed to the long term goal of eco-conservation by imparting lessons of biodiversity and nature conservation to our students. In tandem with Nature Club, Birds Club and Bhoomitra Sena club and NSS, the Biodiversity club works towards greenification of the campus , identification of the flora and fauna inside the campus and spreading of awareness regarding the need to preserve our biodiversity. In this effort we are supported by Aranyakam Nature Foundation, a dedicated NGO working towards a much greener and diverse ecosystem. The college has signed a Memorandum of Understanding with Aranyakam for five years whereby the Foundation will provide theoretical and technical expertise for implementing biodiversity conservation programmes.

Objectives

1. Documenting the Biodiversity in the College campus involving students and teachers.
2. The skill development of the teachers and students in the field of Biodiversity conservation.
3. Enhancing the plant diversity in the campus through appropriate actions and planting including selected species suitable for the environment.
4. Conduct of awareness programmes on biodiversity and its conservation for students and teachers of the college such as seminars, surveys, field visits or other field-oriented programmes.

Staff Coordinator: Dr. Srividya S.

Student Coordinators: Aadil & Shimsin (B.Sc Microbiology)

Haseena & Thanees (B.Com)

Sooraj Chandran & Parvathy (BA English)

Thirupathy & Monesh (BA Tamil)

Activities

1. Biodiversity Survey of the Campus on 14 May 2022

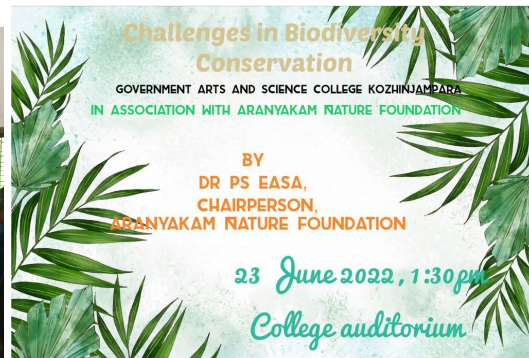

2. World Environment Day Quiz

3. World Environment Day celebrations Greening the Campus program on 6th June 2022

4. Seminar on Challenges in Biodiversity Conservation by Dr. PS Easa

5. Preparation of Biodiversity register of the college

Government Arts and Science College Kozhinjampara

Nature Club

Activity Report 2022-2023

Nature club was constituted in our college with an aim to create awareness among the students about the importance of conservation of nature and environment. Nature Club teaches students to love mother nature and preserve the resources in it. It also provides awareness on global environmental challenges and gives a platform to develop remedial measures for the same. The major objectives of the club are:

- To provide environmental education opportunities for students to think about the major issues that are threatening our environment.
- To utilize the human resource of the college to transform the campus into a clean and environment-friendly space.
- To motivate the students to plant more trees, and to preserve the fresh and green environment.

The club is functioning with 70 students from various disciplines and Mrs. Nimi Narayanan, Assistant Professor in Microbiology as staff coordinator. The student coordinator of the club is Ms. Akhila C., first year BSc. microbiology.

Awareness class on conservation of nature

Nature Club in association with Aranyakam Nature Foundation, organized an awareness programme for students to inculcate the significance of conservation of our nature on 23 June 2022. Dr. P. S. Easa, Chairperson, Aranyakam Nature Foundation was the chief guest and he delivered a session on "Challenges in biodiversity conservation" and interacted with the students.

Nature Camp at Parambikulam wildlife sanctuary

Nature club organized a two-day nature camp at Parambikulam wildlife sanctuary, Anappady, Kerala from 01-09-2022 to 02-09-2022. The camp was sponsored by Kerala Forest and Wildlife Department. A total of 33 students accompanied by three faculties, Dr. Sreevidya S., Dr. Senthil N. and Mrs. Nimi Narayanan, participated in the camp.

The trip to Parambikulam Wildlife Sanctuary from the college started by 1.30 pm on 01-09-2022. By evening, the students reached the destination, Tiger Hall, Parambikulam Wildlife Sanctuary. After having tea and refreshment, students visited the Thoonakkadavu Dam. Smt.Thankamani, a guide allocated from the forest department, belonging to the local tribe, led the team. A night stay in a dormitory situated in the midst of a forest, was provided by the forest department. Wildlife warden gave necessary instructions that should be followed while staying in the midst of the forest. Students could observe herds of white-spotted deers grazing the nearby areas of the dormitory, in the very early morning.

The second day started with an early morning trekking through the evergreen forests of the Parambikulam Wildlife Sanctuary. Wildlife assistant, Mr. Natesan gave a brief summary about the rules and precautions to be taken while entering into the forest and led the team during trekking. The trekking started through moist deciduous forest and after walking for 3 kms, the team entered into the evergreen forest. Students were so excited to observe the mixed deciduous and evergreen forests and spot streamlined water bodies within the deep forest and they could also see different types of birds. Two hours of trekking was really an amazing experience and students could experience nature in close proximity. In the afternoon, students went boating in Parambikulam reservoir. Boating is done in bamboo rafts and the rafting lasted around 15-20 minutes which offered amazing views of the reservoir and rafting experience. Some animals were also spotted from a long distance.

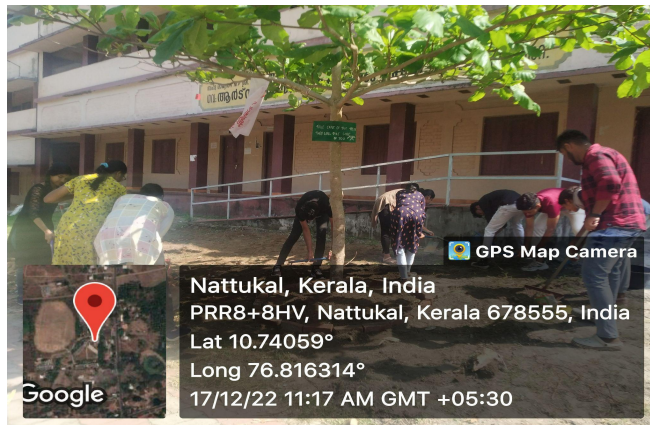

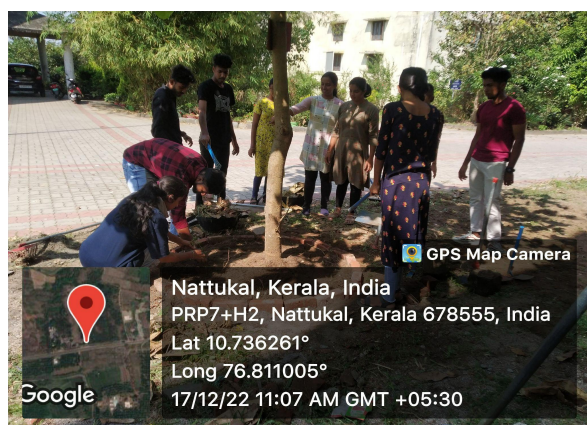

Later on, the beautiful butterfly garden and medicinal plant garden was introduced and described by Ms. Savya, Administrative staff. It helped to develop an idea about types of plants to be maintained in butterfly gardens and the different varieties of butterflies was a spectacular sight to the eyes. They could also observe more than hundred varieties of medicinal plants and Ms. Navya explained the uses of each plant very patiently. Students assembled at the meeting hall where they could observe miniature models of the Parambikulam wildlife sanctuary. In an informal meeting, students shared their experiences of nature camp and certificates were delivered to them. By evening, the return trip had started and many animals, like Indian bison (wild gaur), elephant, Sambar deer and spotted deer were also observed along the roadside at close proximity.

Setting up the medicinal garden in College campus

Nature club has initiated the process of developing a medicinal garden at the college campus. Medicinal plant gardens primarily aim to cultivate, protect and conserve plants with medicinal properties for educational as well as research activities. As an initial attempt, saplings of various medicinal plants were collected from the nearby nurseries. Later, student members as well as faculties donated the medicinal plants collected from their locality. 22 varieties of medicinal plants have been collected and the club has a plan to collect and cultivate as many medicinal plants as possible. The major aim is to create awareness among students about our rich traditional knowledge of ayurvedic medicines.

GOVERNMENT ARTS AND SCIENCE COLLEGE, KOZHINJAMPARA

WOMEN CELL REPORT

2022-2023

The Women Cell of Government Arts and Science College Kozhinjampara was started with the aim of empowering and orienting women to recognise their true potential, and to help them attain a stand in a highly competitive world. Women Cell promotes holistic development of the students of the college through events, seminars, workshops, health awareness, personality development and training for skill formation etc. The motto of the cell is “Stronger Together.”

Objectives

1. To empower women students through various socio-cultural activities.
2. To give awareness to the women students about the atrocities against women and takes various steps to prevent such incidents
3. To impart knowledge on legal rights of women.
4. To enhance self-esteem and self-confidence among women students.

Vision

To enlighten the students to create a better and just society, to help them to recognise their true potential and make their own space in this competitive world.

Mission

To encourage female students to be self-reliant and economically independent. Creating awareness about the need for gender equality is also one of the missions. Eliminating deep rooted beliefs of gender bias and discrimination becomes the major goal envisaged by the cell.

Program 1- Orange The World Campaign

REPORT

As a part of ‘Orange the world Campaign, ICDS Chittur and Government Arts and Science College Kozhinjampara organized a Debate Competition on 01/12/2022 from 2 pm to 4 pm in the college auditorium on the topic –“ARE CURRENT LAWS ADEQUATE OR INADEQUATE TO COMBAT VIOLENCE AGAINST WOMEN?”

"സ്ത്രീകൾക്കെതിരെ ഉള്ള അതിക്രമങ്ങൾ ചെറുക്കാൻ നിലവിലെ നിയമങ്ങൾ പര്യാപ്തമാണ്/പര്യാപ്തമല്ല

College Women Cell, NSS Team and the College Union co-ordinated the program. Dr. Nisha Lekshmi P., Women cell co-ordinator gave the Welcome address. Smt. Meenakshi Kutty, CDPO addressed the audience. Two Teams consisting of five Members took part in the debate. Limi Lal, ICDS Supervisor was the moderator. A team from ICDS judged the same.

The Debate team members included:

TEAM A TEAM B

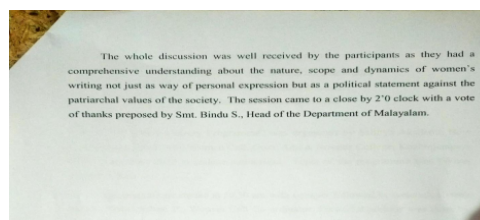

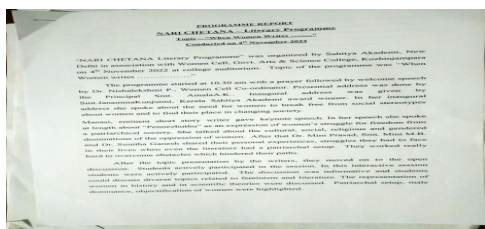

Haseena Varun Babu
Shaheem Sree Lakshmi
Thirupathy Pavithra
Akshaya Arya Nandha
Thasniba Ahalya

TEAM B was declared the winner, and they won the cash prize. Team A received the

Consolation Prize. Bindu S., NSS Co-ordinator gave Vote of thanks. Ten Members of ICDS, Three Teachers and 144 students participated in the program.

Program 2- Nari Chetana- Literary program

Program 3- Extension Activity Old Age Home Visit And Fund Donation

On 22/12/2022 the women cell members of Govt. Arts and Science College, Kozhinjampara visited the old age home, 'Guruprasadam,' located at RVP Puthur, Vannamada. The Womencell Coordinator accompanied the students. There were 25 inmates in the old age home. Students interacted and spent 2 hours with them. The students also handed over the financial aid collected from the students to the institution.

Program 4-Self Defence Class 2022

The program started on 13.07.2022 at 10 am. Welcome speech was given by the Women cell Coordinator Dr. Nisha Lekshmi P. Sri. Chribuna Viswas, Vice Principal delivered the Presidential Address. Sri. Anurag, Sub Inspector of Police, Kozhinjampara inaugurated the function. Dr. Srividya S., NAAC Coordinator offered felicitations. Mrs. Jameela S., Head

trainer of self-defence from Jana Maitri police station spoke about the atrocities against women, being on the rise. After the first session, at 1.30 pm, a demonstration of self-defence techniques by a three-member women team of Jana Maitri police. Jameela S, SajithaB (WSDT Vanitha PS) and Bindu K, Beat officer offered the practice sessions on how to defend oneself when one gets attacked. They also provided the students many self-defence tricks and techniques to develop self confidence. The program ended at 3 pm. Feedback was given by a few students. Athira, an M.Sc student delivered a Vote of thanks.

Program 5- Personality Development Workshop

Women Cell, Govt Arts and Science College Kozhinjampara, in association with Hindustan Unilever limited organized a workshop on 'Rexona Confidence Academy ' on 28/09/2022 at 1.30 pm in the college auditorium. The aim of this programme was to teach our girls students the importance of Personality Development and instilling self-confidence to crack the interviews thereby facing the challenge of the corporate world. Mrs. Anjuman Bhanu, a motivational speaker from Hindustan Unilever limited, addressed the students and explained the importance of Personality, attitude and proper communication during an interview. She added on the importance of personal hygiene, selection of the right colour dress and walking style, which would boost our self confidence. 1st, 2nd and 3rd year Degree girl students participated in the program. Finally, the programme came to a close with the distribution of a Rexona deodorant kit to all participants and staff members. B.Com 2nd year student Nandini gave a vote of thanks.

Program 6- Menstrual Health and Hygiene Awareness class

Women Cell, Govt.Arts and Science College Kozhinjampara in association with Naleppilli Primary Health Centre, organized a Health awareness program on 28/09/2022 at 10.30 am. The topic of the program was 'Menstrual Health and Hygiene.'" The program started with a welcome speech given by Dr. Nisha Lekshmi P., Women cell Co-ordinator. Dr. Srividya S., Gender Sensitisation Cell Convenor, gave the Presidential address. Hajira M., Junior Health

Nurse, Naleppilli PHC, and Kala, Junior Health Inspector, Naleppilli PHC, were the invited speakers. More than 154 students participated in the program. The Guest speakers spoke about Menstruation and Personal Hygiene, like what is Menstruation, calculation of the period, need for personal hygiene, physical problems faced by the girls during their periods, and ways to deal with the same. Traditional myths and misconceptions in rural areas related to menstruation and the usage of Menstrual cup and its benefits were also discussed. After that, an interaction session where the participants clarified their doubts was held. Overall, this program was very useful and informative. The program came to an end with a Vote of thanks delivered by Ms. Nandana Vinod of I B.Com.

Program 7- Debate Against Dowry System

A Debate Competition was held on 02/03/2022 at Govt. Arts and Science College, Kozhinjampara in association with College Women cell and Department of Women and Child development cell Palakkad, on the topic, "Will the Dowry System be Outdated?" Two teams of five children participated in this debate. Principal Smt. Amala A. K., inaugurated the program and Dr. Nisha Lekshmi P., gave a welcome speech and spoke a few words on the topic of Dowry. In this discussion four members of ICDS(Anu p, PSS counsellor ICDS Chittoor, Sunena A Pss counsellor ICDS Chittoor, Gayatri PSS counsellor ICDS Chittoor ,LIMI LAL T M,ICDS supervisor) and some of our teachers and 70 students participated. The Debate was supervised by moderator, Mr. Prasanth K. V. Asst. Professor, Department of English. A judging panel of three members, Dr. Srividhya S., Asst.Professor of English, Bindu S., Asst. Professor of Malayalam, LIMI LAL TM CDS Palakkad evaluated the debate.

Program 8-Women's Day Celebration March 8

The women's day was celebrated at Govt. Arts and Science College Kozhijampara on 08-03-2022. The program was conducted by the women's cell of our college at the auditorium. Nearly 80 Students and 10 of our faculties participated in the event.

The event was inaugurated by the Vice Principal, Sri. CHRIBUNA VISWAS. He delivered a speech by sharing his thoughts about women's day. The program commenced at 11am after the invocation. Dr. Nisha Lekshmi P, Coordinator of women cell gave a brief description about the importance of women's day and the whole program. Mrs. Sreeja Arangottukaara, the famous Drama/Theatre activist, and Kerala Sangeetha Nadaka Academy Award winner was the Chief Guest. She gave the students an inspirational speech about how women should overcome their fears and be courageous enough to express their opinion in society. Mrs. Sreeja organized two dramas which were enacted by the students of Kala Padasala. The first Drama was based on the poem, 'Maricha Kunjangal varunnundu' by SUGATHA KUMARI Teacher. It is a poem that tells about children and women who lost their lives due to sexual harassment. The second drama was based on a poem, 'IRA' by P. P. RAMACHANDRAN. The poem shows the revenge of women towards men who harass them. Both the poems were enacted by the junior artists of Kala Padasala, under the guidance of Mrs. Sreeja. The audience was able to enjoy and comprehend the drama to the fullest. This session came to an end with the feedback of teachers and students.

Later, cultural activities organised by the students started at 2pm. Many of our students actively participated in this program. Skit, collage, dance and music were the main items. The program came to an end at 3.30pm.

Programme Report 2021

Government Arts and Science College Kozhijampara conducted the inaugural function of the Women cell of the college, and an awareness class based on it, on Monday 13.12.2021 at the college auditorium. Thasni A., (BA Functional English 1st year student anchored the program. The program started with a prayer by Athira (B.Sc 1st year student). After that, the Women Cell co-ordinator Dr. Nisha Lekshmi P., spoke some words about the program. Next to that, Smt. Amala A. K., Principal did the inauguration by lighting the lamp and delivering the inaugural address. Dr. Chinthu Jerome (Kerala State Youth Commission Chairperson) gave a video message to the college. Next to that, felicitations were offered by Sri. Ramesh, IQAC coordinator, Dr. Srividya S., NAAC Coordinator, Smt. Uma Makheswari, HoD of Tamil Department, and Dr Vijayan HoD of Microbiology. The next section of the program was the awareness class against women atrocity by ANILAKUMARI V., Inspector of police Palakkad Vanitha police station. The topic of the Program was “Self-Slaughter Won’t solve your problems; Self-esteem Will.” We all know, violence against women is increasing day by day today, so it is necessary to have a discussion on this topic. Nearly 70 students and 10 of our faculty participated in the program. The class has opened a new door of courage to the students to move a head. At last the program came to an end by vote of thanks said by Sree Lakshmi (Bcom 1st year student)

GOVERNMENT ARTS AND SCIENCE COLLEGE, KOZHINJAMPARA

GENDER SENSITIZATION CELL

Gender sensitization empowers society by bringing in the concept of equality and by raising consciousness about the nature of gender as a social construct. The effort to spread awareness regarding gender as a spectrum among people has long been taken up by Governments, educational institutions and other organizations world-wide. Joining hands with this tremendous effort, the college has instituted a Gender Sensitization Cell in order to make the students partners in the struggle against exploitation, marginalization and discrimination of people belonging to particular genders.

Objectives

1. To educate the students about how notions of gender work in society.
2. To prevent discrimination and harassment based on gender inside and outside the campus.
3. To set off discussion forums on gender among teachers and students.

Staff Co-ordinator: Srividya S

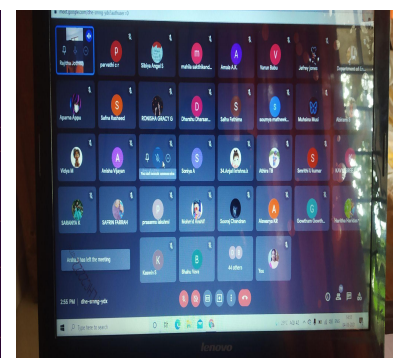

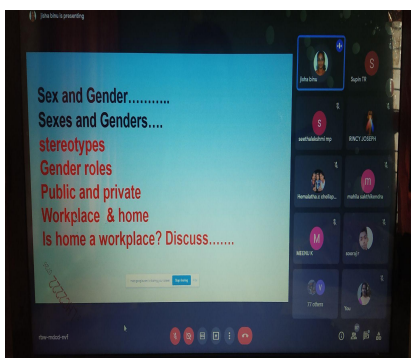

Student Co-ordinator: Thasni A, Rahul Rakesh

Activities

1. Talk on Gender Sensitization by Dr. Arathy Asok, Assistant Professor, Govt. College, Chittur on 8th Dec 2021.

2. Three day Webinar on Gender in association with Dept. for Women and Children, Govt. of Kerala & District Office, Mahila Shakthi Kendra, Palakkad.

3. Inauguration of Road Show, Flash Mob and Street Play in connection with International day on the elimination of violence against women on 25 Nov 2021.

4. Inauguration of Gender Club in association with Kudumbashree on 21st Feb 2022

5. Discussion Forum of students and teachers on gender based crimes on 28th Oct 2022

GOVERNMENT ARTS AND SCIENCE COLLEGE KOZHINJAMPARA

REPORT: Independence Day

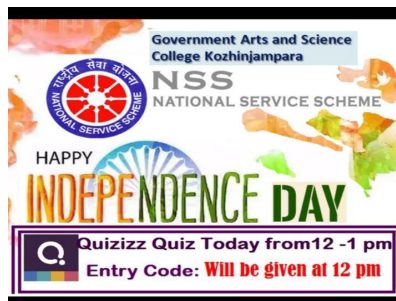

DATE: 15-08-2021

On the momentous occasion of Independence Day 2021, the vibrant spirit of freedom reverberated through the halls of Government Arts and Science College Kozhinjampara. Stepping up to the responsibility, Ms. Amala A. K, the esteemed Principal-in-charge, unfurled the tricolor flag with immense pride. The ceremony radiated with enthusiasm as Teachers, students, and dedicated NSS volunteers stood united in the celebration.

Though constrained by the challenges of the pandemic, our indomitable spirit soared high as we made the most of the limited time we could spend on campus. Embracing the digital realm, we orchestrated a virtual extravaganza to commemorate this significant day. Poster making and soulful renditions of patriotic songs echoed through the virtual landscape, bridging the physical distance that separated us.

The Teachers, ever passionate and unwavering in their commitment, proved to be the guiding beacons throughout the celebration. They wholeheartedly joined the programs, joyfully sharing their cherished memories of Independence Day, fostering a sense of unity and collective pride.

Independence Day 2021 will forever be etched in our memories as a testament to the power of resilience and adaptability. We emerged stronger, bound together by the threads of history and the shared dreams of a brighter tomorrow.
