

Bio-Diversity Club

The College is committed to the long term goal of eco-conservation by imparting lessons of bio-diversity and nature conservation to our students. In tandem with Nature Club, Birds Club and Bhoomitrasena club and NSS, the Bio-diversity club works towards greenification of the campus , identification of the flora and fauna inside the campus and spreading of awareness regarding the need to preserve our bio-diversity. In this effort we are supported by Aranyakam Nature Foundation, a dedicated NGO working towards a much greener and diverse eco system. The college has signed a Memorandum of Understanding with Aranyakam for five years whereby the Foundation will provide theoretical and technical expertise for implementing bio-diversity conservation programmes.

Objectives

1. Documenting the Biodiversity in the College campus involving students and teachers.
2. The skill development of the teachers and students in the field of Biodiversity conservation.
3. Enhancing the plant diversity in the campus through appropriate actions and planting including selected species suitable for the environment.
4. Conduct of awareness programmes on biodiversity and its conservation for students and teachers of the college such as seminars, surveys, field visits or other field-oriented programmes.

Staff Co-ordinator: Srividya S.

Student Co-ordinators: Aadil & Shimsin (Bsc Microbiology)

Haseena & Thanees (Bcom)

Sooraj Chandran & Parvathy (BA English)

Thirupathy & Monesh (BA Tamil)

Activities

1. Biodiversity Survey of the Campus on 14 May 2022
2. World Environment Day Quiz
3. World Environment Day celebrations & Greening the Campus program on 6th June 2022
4. Seminar on Challenges in Bio-diversity Conservation by Dr. PS Easa
5. Preparation of Bio-diversity register of the college.
6. <https://drive.google.com/drive/folders/16Qp1qGTfC0rixQRrouw7akLcXClydJbi>
